REQUEST FOR RECONSIDERATION OF PETITIONS UNDER 37 CFR
§ 1.183 AND 37 CFR § 1.48(c)**VIA FACSIMILE: (571) 273-8300**
Attn: Office of PetitionsCommissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

A Decision dismissing the Petitions under 37 CFR § 1.183 and 37 CFR § 1.48 was entered on September 22, 2005. The Petitions were dismissed because a Declaration signed by the inventor Dylan Salisbury could not be located in the file. Petitioner resubmits herewith the signed Declaration of Salisbury in accordance with the Decision. The Petitions are now in a grantable condition and Petitioner respectfully solicits an expedited reconsideration.

Petitioner has previously submitted concurrent with the filing of the original Petitions two petition fees of \$130 under 37 CFR § 1.17(i). Petitioner has that time also authorized the Patent Office to deduct any unpaid fees from Deposit Account No. 50-2215. Upon subsequent review it was determined that the Petitions should be treated as four separate petitions. Petitioner therefore submitted two additional

petition fees of \$130 with its previous "Request for Reconsideration" of August 1, 2005. However, in the Decision of September 22, 2005 the Examiner noted that the two additional petition fees were unwarranted. In view of the Petitions being treated as four separate petitions, the Examiner is respectfully requested to reassess whether any petition fees remain unpaid.

For any questions or outstanding issues concerning the above, the Petitions Examiner is respectfully requested to contact the undersigned at the number listed below.
